### **III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE**

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI’s Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI’s website: [www.fei.org](http://www.fei.org).

Leading athlete award –	(Prize description and value)
Best foreign athlete –	(Prize description and value)
Best home athlete –	(Prize description and value)
Team awards –	(Prize description and value)

### PRIZE – CLASSIFICATION:

**PRIZE – CLASSIFICATION:**

British Riders who are eligible for British Team Selection competing in classes 6, 12, and 17 will also be eligible for

**LIVERPOOL INTERNATIONAL HORSE SHOW 2017 WILDCARD QUALIFICATION FOR THE 4\* INTERNATIONAL CLASSES**

**ELIGIBILITY:**

British Riders already invited to compete at Liverpool International 2017, and other nationalities will be disregarded from the point's allocation table, although the prize money will be awarded.-

Should the winner of the Liverpool Wildcard not be eligible for British Team selection or have already qualified for a Liverpool International invitation or Wild Card, then the Wild Card will be allocated down the line to the next eligible rider.

**PLEASE NOTE: Whilst Associate and Pony Associate members may compete in the above classes and may qualify to compete in the International Competitions at LIHS, due to FEI regulations any competitor who will not attain the age of eighteen during the 2017 calendar year will not be eligible to compete in Grand Prix or the Puissance.**

Only the best result in each class will be counted for riders who are competing on more than one horse.

**QUALIFIES FOR:**

The 4\* International Competitions at Liverpool International Horse Show 2017 where the qualified rider will be entitled to enter three horses (minimum of two) plus one for the Puissance. The horse which gains qualification at the qualifier need not compete at Liverpool International Horse Show. Horses must be Grade A or Grade B and hold a current FEI passport. However, whilst Grade B horses may compete in the Wildcard qualifiers, Grade B horses may not compete in the International Competitions at Liverpool 2017 without written prior approval from British Show jumping.

**NUMBERS TO QUALIFY:**

The one rider achieving the highest aggregate of points from all three qualifying competitions at the qualifying show. In the case of equality for the qualifying place, the rider placed highest in the third qualifying competition (class 17) will qualify. Should there still be equality, then the rider placed highest in the second qualifying competition will qualify.

A rider may only qualify once for the International Show Jumping classes at Liverpool 2017 and in the event of double qualification the place will be offered to the next highest placed rider at that qualifier.

Points towards qualification will be awarded to each rider according to their placing in each of these three qualifying competitions at the qualifying show as follows:

**Class 6:** The first placed eligible rider will receive 15 points, the second placed eligible rider will receive 12 points, and the third placed eligible rider will receive 10 points and so on reducing by one point per placing until the twelfth rider who will receive one point.

**Class 12:** The first placed eligible rider will receive 15 points, the second placed eligible rider will receive 12 points, and the third placed rider will receive 10 points and so on reducing by one point per placing until the twelfth rider who will receive one point.

**Class 17:** The first placed eligible rider will receive 25 points, the second placed eligible rider will receive 20 points, and the third placed eligible rider will receive 15 points and so on reducing by one point per placing until the Seventeenth rider who will receive one point.

In the case of equality for any one place, the total points from all the equal placings will equally be divided between those tying for those particular placings. Divided points will be rounded up or down as appropriate to one decimal point (i.e. 0.44 points would be rounded down to 0.4, 0.45 points would be rounded up to 0.5).

Only the best result in each class will be counted for riders who are competing on more than one horse.

Those competitors not eligible for the jump off will be placed according to their time faults and time in the first round.

#### **1.1. ATHLETES, OWNERS AND SUPPORT PERSONNEL**

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

##### **1.1.2. Personal Property Insurance**

(If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is

mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.

- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask his/her groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and re-place the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

## **5. DISPUTES**

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

## **6. MODIFICATION TO SCHEDULE**

In exceptional circumstances, together with the approval of Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the Organiser may change the schedule in order to clarify any matter arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

updated 17 October 2011

In case of a tie for the 12<sup>th</sup> place in a competition with 12 to 48 starters, the prize money foreseen for the 12<sup>th</sup> place will be divided equally among the athletes concerned.

#### For Competitions run in two rounds with more than 12 starters in 2<sup>nd</sup> round:

OCs that indicate in the schedule that a specific number (that is more than 12) of athletes will return for the second round will be permitted to distribute the prize money for that competition among all the athletes taking part in the second round, even if the second round is followed by a jump-off in case of a tie on penalties for first place after the second round.

**DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS:**

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

**The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.**

Space for organiser to include details if necessary

**IMPORTANT**

**The total amount of prize money shown for each Competition in the schedule must be distributed. (FEI General Regulations articles 127 and 128)**

For details of the prize money breakdown for each competition please refer to the tables at the end of this document; the Organiser must specify which of the two (2) tables will be used. The total prize money for the Competition must be distributed among the first twelve (12) placed athletes.

The Organiser must provide additional created prizes for athletes placed beyond twelfth (12<sup>th</sup>) place. The minimum amount for each of these additional prizes, for athletes placed from thirteenth (13<sup>th</sup>) to last place, must be clearly specified in the approved schedule and not exceed the prize money of the athlete placed twelfth (12<sup>th</sup>)

**IMPORTANT**

\*: Maximum Number of starters per competition: 100.

If more than 100 starters are declared, the OC must split the class and provide the equivalent amount of prize money for the additional Competition. OCs may apply either of the following methods for splitting the Competition:

The competition is split into two groups before it starts. There may be a different number of starters in each group. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group.

OR

The competition is run as one single competition and split afterwards into two groups and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. *NB: In this case separate results must be sent to the FEI for each of the two groups, e.g. results for Competition 1a and for Competition 1b.*

In both cases above each group must offer the same amount of prize money as indicated for the original Competition. For the avoidance of doubt, it is the number of declared starters in the Competition, not the actual number of starters, that determines whether the Competition must be split.
