Dressage	All short arena on a surface
Show Jumping Course	Solid and inviting course designed by BSJA course builder. Not over technical, we will endeavor to allow all to compete XC, even if eliminated Show Jumping, however combinations deemed unsafe / unsuitable may be prevented
XC Course	Solid and inviting British Eventing quality courses. Severity of course will be suitable for the BE level at that height. Where an obstacle is technical or a question at that level there will be a time consuming alternative route. If an obstacle is completely reasonable to the level it may not have an alternative. The optimum time may not be possible for a first time horse taking alternative routes, but the courses will be designed to get that horse all the way home. Each height of course will be progressively more technical than the level before, but with no tricks or traps
Elimination	If you have 3 refusals you may carry on, missing that one fence. Any more stops on course, or you are caught up, you MUST stop & walk home

Arena Horse Trials
Sunday 11th November 2018
Sunday 23rd December

Dressage and dressage warm up on all weather arena, short arena BE tests. Half an hour minimum for a tack change before the Jumping phases. Indoor jumping collecting and working in. The jumping phases will consist a BE equivalent single phase show jumping track indoors, followed immediately in outdoor arena by a short course of portable XC fences. This will typically be 5 fences below the maximum height followed by 5 at the maximum, with a water splash.

Fences will be laid out to allow a reasonable pace, and to have some feel of being XC not working hunter.

Dressage penalties plus show jumping penalties plus XC penalties will be added together and scored as per BE rules. There will be no XC time penalties, with the fastest time being used to divide equality of place, however dangerous riding will incur elimination. As there is no change of riding or horse ware between Show Jumping and XC phases, both should be completed in XC-ware
