Dressage                      All short arena on a surface

Show Jumping Course                      Solid and inviting course designed by BSJA course builder. Not over technical, we will endeavor to allow all to compete XC, even if eliminated Show Jumping, however combinations deemed unsafe / unsuitable may be prevented

XC Course                      Solid and inviting British Eventing quality courses. Severity of course will be suitable for the BE level at that height. Where an obstacle is technical or a question at that level there will be a time consuming alternative route. If an obstacle is completely reasonable to the level it may not have an alternative. The optimum time may not be possible for a first time horse taking alternative routes, but the courses will be designed to get that horse all the way home. Each height of course will be progressively more technical than the level before, but with no tricks or traps

Elimination                      If you have 3 refusals you may carry on, missing that one fence. Any more stops on course, or you are caught up, you **MUST** stop & walk home
