Courses are being evolved to be flowing and suitable for combinations new to and experienced at the level of competition. Courses include water and steps, with a good range of solid, well-built inviting obstacles. All ground will be managed to the best of our abilities. Tracks and arenas have all been sanded and aeration will take place if required. All competition and warm-up turf has been improved over the winter with wood-based compost. Dressage and dressage warm-up on sand-dressed, improved turf, with four of the dressage arenas on a surface.
