

pony Parties

K

Welcome

We are excited to introduce Pony Parties at Keysoe International. Ideal for children aged 3-10, our Pony Parties are perfect for horse lovers of all abilities, with a variety of activities to suit everyone. Suitable for groups of up to 10, our Pony Parties make the perfect birthday celebration.

Our experienced staff will provide and facilitate a safe and fun environment for your children to interact with our beautiful, friendly ponies. From grooming sessions to pony-themed games, we offer a range of activities that will delight your little ones.

As well as a memorable time meeting, grooming and playing with the ponies, your group will be able to enjoy pony themed activity books, decorate their

very own horseshoes, and take home a goody bag including a pony colouring book and rosette.

Available in two fully catered packages with optional extras, we'll help tailor your booking to suit your child's interests and preferences - making sure their special day is one they'll truly cherish and remember forever.
